Dear Mr. Waldeck:

I want to express my deep appreciation for your dedicated service to the State of California as a member of the San Francisco Bay Regional Water Quality Control Board. I am continually impressed by the intelligence, dedication, courage, and commitment of the members of the Regional Water Boards and the service they provide the people of our State. The Board members help enhance our environment and protect one of the State's most vital resources.

The San Francisco Bay Regional Water Board has made many impressive decisions, taken difficult and necessary enforcement actions, and provided hours of opportunity for the public to involve itself in the decisions of the Board. Your service to this Board and the region in which you live is an extraordinary gift of time, expertise, and commitment to the betterment of our community and State. During your seven years as a member of the Board, you were instrumental in providing leadership on the Board and clarity to the public. This is particularly true regarding your focus on the promotion of green business practices, and your efforts to protect and restore water quality for the benefit of all the Bay region's residents. Your service as Board Chair in 2004 and Vice-Chair in 2001, 2002, and 2003 has been especially appreciated.

It has been a pleasure working with you on the protection of California's water quality. I thank you for your efforts and important contribution to California's environment and the welfare of the State as a whole.

Sincerely,

Tam M. Doduc
Board Chair
